BURROUGH GREEN GARDEN FETE
Sunday 12th June 2022
Plans are progressing well in readiness for the day.
We really need people to volunteer to run stalls on the day for a couple of hours. Why not share a stall with a friend or neighbour? We will provide you with everything you need including prizes!

PLEASE VOLUNTEER
Don't wait to be asked, the more games and stalls we run the more fun for everyone!
Our next meeting is on Tuesday 5th April at 7pm at The Hall, home of Lucy and Peter Talbot.
Do come and join us for a glass of wine whilst we continue to plan for this village event.
If you are unable to attend but can offer any support, please contact Lucy on 07910 158463 or email peterandlucy@btinternet.com

BRINKLEY PLATINUM JUBILEE CELEBRATION

PARTY
Save Sunday June 5th for taking part in our Jubilee Event at the Memorial Hall.
Planning is in progress for our Platinum Jubilee Celebration in Brinkley, and more details will be announced in next month's Village Voice.
We are planning activities for children, competitions for adults and children; and the event will be a bring your own picnic and drink, to share with friends, neighbours, and other Brinkley villagers you have yet to meet.
There are no other costs involved, but we may have a few stalls for you to look at during the afternoon. Any money we raise on the day will go to a designated charity.
Be a part of history - there will never be another platinum jubilee! and there will be a local photographer to record it all for posterity.

BRINKLEY QUIZ NIGHT 11th March
Many thanks to all those who helped to make the Quiz night such a good evening. £566 was raised, and it was unanimously decided that 50% of the money would be sent to the DEC Ukranian appeal. A donation of £300 has now been sent from Brinkley Church. (The Quiz was originally planned to raise funds for our church.)

REGULAR VINYASA YOGA CLASSES

Starting in Brinkley Memorial Hall
on Saturdays, 9am to 10am.

The first session will be on 23rd April

Dedicated to Earth Day

MARSH MAIL-News from Linton Village College

This term has seen a number of celebrations in the school library beginning in January with significant birthdays for both the library and the librarian.

On the theme of love, we celebrated Valentine's Day with a hugely successful 'blind date with a book display' which, although restocked twice, saw every book lovingly borrowed by our students.

The 25th Anniversary of World Book Day on 3rd March provided a plethora of activities for our students to enjoy including competitions, quizzes, a whole school read and free books for our Year 7 students.

Unfortunately, our annual Harry Potter Evening, which is also celebrating 25 years since the release of J.K Rowling's magical classic 'Harry Potter and the Philosopher's Stone', has been postponed twice due to the effects of Covid-19 in school. We are hopeful however that the event will go ahead before the end of term.

In addition to a whole school collection and non-uniform day for the Ukraine Humanitarian Appeal, we are extremely proud of our library prefects who are making and selling charity ribbons to raise extra funds.

In such uncertain times for our young people, it has been wonderful seeing students relax and take part in our afterschool and lunchtime craft sessions. Crafting has the ability to reduce stress and anxiety but also provides a safe environment for our students to talk about how they might be feeling.

Right now, we are eagerly awaiting the announcement of the Carnegie and Kate Greenaway shortlisted titles which we will follow ahead of the winner being announced on 16th June.

BONFIRES

Burning domestic waste

You cannot get rid of household waste if it will cause pollution or harm people's health. This includes burning it.

You can get rid of household or garden waste by composting or recycling it. Contact your local council to find out how to dispose of garden waste and about recycling in your area.

You could be fined if you light a fire and allow the smoke to drift across the road and become a danger to traffic.

Complain about a neighbour's bonfire

Your council has a responsibility to investigate complaints of smoke and fumes that could be a statutory nuisance.

They can issue an 'abatement notice' if a neighbour's bonfire is causing a nuisance. Your neighbour can be fined if they do not follow the rules of the abatement notice.

It would seem that we have someone in the High Street who is having bonfires. This is a very selfish thing to do, is not good for your wellbeing, and smoke filled washing is not appreciated and your neighbours like to enjoy the FRESH AIR. You can pay £50 per year to have an extra brown bin which is much better.

BRINKLEY RESIDENT

**WHAT'S ON AT THE RED LION
BRINKLEY**

Coffee Morning is Wed. 13th at 10:30am

Foreign food nights are 22nd and 23rd April

Let us know if you want to join us for either of these by Thursday evening on the 21st please. Menu - Tarte Flambée, French Leek Soup, Mushroom Bourguignon, Bourride (fish stew with Aioli) and Coq au Vin.

French Leek Soup - our take on French Onion Soup but using leeks instead of onion for a few people that cannot have onions, and with no beef stock in it for our many vegetarians.

Longer nights. Not freezing cold. If inside is still a concern, come see us in the front garden soon!

COMMUNITY ENTERPRISE PROJECT IN EAST CAMBRIDGESHIRE

Community Catalysts are working with Cambridgeshire County Council to support people in East Cambridgeshire interested in becoming sole traders or small community enterprises offering a range of care, support and activities for older and disabled people at home and in the community. **Local people helping other local people.** How they do that is entirely their choice - as a sole trader or maybe with friends they set up a co-operative or social enterprise.

Having a focus on Ely, Littleport, Soham and Burwell but the East Cambs villages, including Westley Waterless, Brinkley, Burrough Green and Carlton will also be part of the project as vulnerable groups face the rural challenges of care and support.

We have a local Catalyst, working with all the amazing groups, communities' teams and area connectors. The project will offer free support, helping folks to help their neighbours and understand how to run their own enterprise well whilst providing the best care and support. We are also able to advise small groups and organisations already established with developing or diversifying their business.

At Community Catalysts we've done this for over 10 years, with many successful projects up and down the country. We have seen that with Covid that continuity of support is even more important, difficult times have shown even more that people want to help others in their community.

For more information contact your local Catalyst, Anna Tuck on; anna.tuck@communitycatalysts or phone 07881 297 330

2523 LINTON AIR CADETS.

March kicked off with a visit from the Deputy Lord Lieutenant of Cambridgeshire at our presentation evening. It was a fantastic night where we could recognise all the achievements from over lockdown and since returning face to face. The Deputy Lieutenant was our presenting officer for certificates of achievement and the various trophies, such as best new cadet awarded to Cdt Graves.

Senior wing staff were also present and Squadron Leader Hicks was able to present promotions to the cadets: Flight Sergeants Murray and Tysoe, Sergeants Webb, Morris (Oliver), Vellacott and Corporals Little, Morris (Joe), Newell, Pevley, Spall and Stewart.

The evening concluded with the Deputy Lieutenant officially unveiling the new squadron simulator.

We are now straight back into activities. As well as leadership training we had 8 cadets take part in a small bore rifle shoot, culminating in several marksman awards: Squadron Marksman were awarded to FS Murray, Sgt Vellacott, Cdt Cook and Cdt Richards. Trained shot awards went to Cpl Spall, Cdt Foster and Cdt Addison.

We have now also had our first powered flying allocations in the Grob Tutor since returning back. Cdts Russell, Cook and Richards flew with 7AEF from RAF Cranwell for their first taste of powered flying in the RAF Air Cadets.

We have a stack of activities to look forward to over the coming weeks and months. So why not join us? If you or someone you know is aged 12 and going into year 8 this September get in touch to join our waiting list.

DISTRICT COUNCILLORS' REPORT

Charlotte Cane & John Trapp -East Cambs, Bottisham Ward

The Council budget for 2022/23 was passed on 22 February, including a Council Tax freeze to recognise the cost of living challenges facing many residents. We supported the Council Tax freeze and proposed an amendment to devolve the Rural Services Delivery Grant of £169,000 to Parish Councils, and to allocate £10,000 to investigate options for Civil Parking Enforcement, to address the problems caused by illegal parking around the district. This would have been funded by joining the Combined Authority's Community Led Housing Support service, saving the costs of providing it in-house and drawing on the extensive experience of ACRE in community engagement. We also proposed to cut the £25,000 (33 per cent) proposed increase to the Council's PR budget. This amendment was defeated. East Cambs is a relatively small part of the total Council Tax bill, which includes tax for the County Council, Police, Fire services and Parish Council, so our Council Tax bills will increase from April, even though East Cambs' element will not increase.

We also unanimously passed a motion thanking residents in East Cambs for their exemplary behaviour during the lockdown periods, during which very few Fixed Penalty Notices were given to our residents for breaching Covid Lockdown rules and volunteers helped those in need. We also thanked health professionals and all those in public office and leadership positions who worked hard to lead by example. The administration deleted the section which would have shared the severe disappointment of many East Cambs residents that this leadership and responsibility had not been demonstrated by the Prime Minister, Boris Johnson

At this meeting, the questions from the public revolved around actions to address the Climate Emergency. One asked about the provision of electric vehicle charging points and highlighted how few points there were in East Cambs and that many of those had not been working for several months. Another asked for the Council to bring pressure on the Local Authority Pension scheme to disinvest from fossil fuels.

Our bin days changed at the end of March to make the routes more efficient and save 12 tonnes of carbon dioxide every year. Your normal collection days are Monday, but this will change temporarily around Easter and the May Bank Holiday.

Our next Councillors' Surgery is on Wednesday 27 April at 6.30, by Zoom. Meeting ID: 865 7631 8040, Passcode: 490667. If you prefer to join by 'phone, the number is 01314 601196.

**CAMBRIDGESHIRE COUNTY COUNCIL & EAST
CAMBRIDGESHIRE DISTRICT UPDATE
WOODDITTON DIVISION**

Alan Sharp & Amy Starkey

Since my last report, there have been meetings of Highways & Transport Committee and a Full Council meeting of the County Council.

I spoke at the Highways & Transport Committee about my grave concern over the safety of the A1303 between Newmarket and Bottisham, considering that there have been two deaths on that road within the last two months and am very concerned over the safety of this road. I have asked for a briefing from officers about what can be done about reducing the danger. As your County Councillor, I want to ensure that travel within the area that I represent is as safe as possible. I have thoughts on how we can achieve safer roads, but welcome comments from residents on any concerns or solutions that you may have.

There was a Full County Council meeting on the 15th March and I have many concerns about the attempt by the ruling Liberal Democrat administration to suppress democracy.

There were two examples of this, with the first being a change by the ruling Administration preventing items relating to planning or items of major national significance being debated by Cambridgeshire County Council. This change was brought by the ruling group because at the previous Full Council, the ruling group refused to vote on a motion brought expressing concern about a proposed incinerator in Somersham that has concerned many residents in that locality. This will mean that items such as East West Rail and Sunnica will not in future be debated by the County Council, so your Councillor will be suppressed from commenting on those issues and representing residents.

The second example is the motion that I brought before Council at the meeting expressing the concern of residents over the proposed imposition of congestion charging in Greater Cambridge that will hit the poorer members of society the hardest and asking that the Liberal Democrat Ruling Group consider voting against any such proposals on the Greater Cambridge Partnership, when attending as representatives of the County Council.

My motion was opposed by the ruling group, and they voted to ignore genuine concerns from residents.

The solution to solving the traffic problem within Greater Cambridge is a difficult one, but I will continue to strive to achieve a solution that represents the aims of all residents.

I look forward to updating residents further next month and continue to work on your behalf.

If any resident wants to discuss any issue, then please feel free to contact me.

\*\*\*\*\*

The season of Spring in our wonderful climate often catches us by surprise. We can have the most glorious sunshine - it might look very warm but walk down to Devil's Dyke and you will regret not taking your coat. We might have rain, but sometimes it is

warm and refreshing. For many of us, of different faiths or none, it is a time that reminds us of new life. From when we first see buds forming on what almost look like dead sticks on our trees up through the times of May Blossom (now often seen in April, of course) we are reminded that life renews. I remember the woodland on the Chiltern Hills where I had grown up being significantly damaged by the 1987 storms with many trees uprooted and the landscape looking rather desolate. Yet nature has its way of renewal and it has been fascinating to see that over the years. In some parts this has been managed by specific planting but in others, areas have been left deliberately letting nature take its own action. It's difficult to say which looks better now.

As a Christian I believe that Christ's resurrection at Easter shows us a victory over death; the signs of new life around us act as a reminder of that. Even at times that can feel quite desperate in terms of the news and as we look back over a year since we lost our beloved Rector we believe that God will heal, and the renewal of nature and the signs of fresh life around us help to confirm this.

You will be very welcome at any of the Easter Services in the Benefice which are listed in this newsletter.
