BRINKLEY MEMORIAL HALL OPEN DAY

**SUNDAY, 22ND AUGUST 2021
12noon onwards**

The Trustees welcome the villagers to join us for a celebratory lifting of restrictions. A chance to meet new residents and old friends and view our refurbished hall. Please come and say hello, we are a very friendly and hospitable village with a great sense of community so please, don't be shy; the food and drink is on us!

We are proud of our newly refurbished hall for hire, new kitchen, comfortable chairs and much more. If you are hosting an event too large for your home, be it a birthday, anniversary, coffee morning, exercise class or wake, we are here to help. Host it in the Hall.

We look forward to seeing you on the day.

BURROUGH GREEN CRICKET CLUB

Burrough Green Cricket Club continue on its pursuit of promotion. The two league games since the last village voice has seen strong wins against Newport and Royston. Both games saw Ed Riddell and Joel Garthwaite convert the form shown in training into game situations, both scoring impressive half centuries. Wickets seem to be getting shared across the team, but the scoreboard pressure applied by opening bowlers Matt Ashcroft and George Talbot have helped later innings collapses. Probably our most enjoyable game came in the form of a low scoring loss against higher league opposition Cambourne which tested the team and gave a glimpse of what the future hopefully holds in the seasons to come.

August sees an early end to the league season with a final game against Birchanger away on the 7th August. We are carrying out some kids coaching activities during the school holidays . See Below

Welcome to the new Cambridgeshire ACRE
The same Cambridgeshire ACRE but even better.
Cambridgeshire ACRE has been supporting and strengthening rural communities across the County for nearly 100 years now. We work alongside local people and groups to help improve the places, services and assets that are important to them.

You may have noticed from this email that we have a new look: that we feel better reflects who we are and all we have to offer you and your community.

Key to our new look is a logo that now includes the words 'Community Action' because this is at the heart of everything we do.

We've also launched a brand-new website today that clearly sets out the wide range of services we offer and features examples of how our work has made a real difference to people and communities. [If you see the old version of our website for any reason, you may need to clear your cache or search for 'Cambridgeshire ACRE' via your preferred search engine.]

Do get in touch if you have any questions by calling 01353 860850 or emailing enquiries@camsacre.org.uk.

WHAT'S ON AT THE RED LION BRINKLEY

Restrictions are lifted and it is so great to not have to say sorry you cannot do that. We will however continue to do many of the mitigative things that were mandated, since that just makes much sense to us right now.

It is great to see people coming out again, and if you are still a little apprehensive, all we can say is please try it. So many have and been glad that they did.
19th-21st August we'll do an additional Spanish food menu, and from September we'll do some ethnic food menus once a month again.
We will start doing a Quiz again in September. A Thursday seems to be the preferred day.

MARSH MAIL - News from Linton Village College

It was good to be able to end the summer term with some enriching calendar events such as adjusted sports days for each year group and some day trips. Students really appreciated the experience of taking part in the geography field trip or visiting the theatre. Such events which might usually be taken for granted have felt special.

Students also benefited from virtual opportunities such as arts workshops led by West End actors/dancers and Zooming into a talk with a children's author. While Covid-19 has curtailed some enriching educational activities, it has also encouraged others.

We were able to safely host cluster primary schools to enable some of our Year 6s to benefit from a taster day at LVC. Many other Year 6s have visited us for a school tour.

We were also visited by an Ofsted team in the last full week of term for a monitoring inspection visit. Despite everyone's tiredness at this stage in the academic year, it was good to be able to demonstrate the progress that has been made since our last full inspection in February 2020.

A lot has happened in just four terms. Amongst coping with the operational challenges of the pandemic and developing our remote learning provision, we have also made strides in developing SEND teaching practices and raising curriculum and behaviour for learning standards across the school.

The inspectors will share their judgement in an interim progress report in the autumn term which will comment on the impact that governors and leaders have had on these improvement areas from the last inspection as well as ensuring the safeguarding of members of the College community.

We look forward to issuing our Year 11s with their GCSE results on 12th August. These have been generated by Teacher Assessment processes this year. However, this difference in approach doesn't make the grades any less worthy.

It wasn't possible to safely hold the Year 11 Prom as hoped in July so, instead, we will be welcoming back our Leavers in October for a special awards ceremony where we can celebrate achievements of the year group and individuals within it.

**GIRLGUIDING LINTON DISTRICT
MYSTERY TRAIL FOR EVERYONE
AROUND LINTON DURING
AUGUST.**

Ever wanted to see what Girlguiding does or relive a childhood memory or just want a fun family day out in Linton? Take our Linton Mystery Trail around Linton; everyone can take part. Visit The Linton Kitchen and pick up a free Linton Mystery Trail sheet. It has been designed for children of all ages by our very own Linton Rangers (aged 14-18yrs). Take the sheet and solve the clues as you walk around the village. If you find all the pictures and crack the secret message take your finished sheet back to the Linton Kitchen to claim your prize. There is a level one sheet-easy and a more difficult level two sheet; why not try them both?

Our Ranger unit have devised the Mystery Trail so you can all join in a Girlguiding adventure during the summer. If you live outside Linton come and see what there is in Linton, pick up a sheet and have a little adventure or bring a picnic and have a family outing. Enjoy the Mystery Trail, the sheets are available at The Linton Kitchen throughout August.

ELLESMERE GARDEN CLUB

What a wonderful day we had at the Show! It was a great pleasure to see so many folks enjoying the day out and all the entertainment on offer. The Show entries surpassed all expectations, and the organisers are very grateful to all those who put in such an effort and turned out to support us.

August is typically a quiet month for the Garden Club, but this year we have a visit planned to the **Mary Challis Garden in Sawston on Wednesday August 11th**, which will require booking with our secretary Judith (Judith.mahoney@btinternet.com)

Then the Tender Shoots Garden Network is hosting a talk on **Tuesday August 17th by Dr Ian Bedford, Research Entomologist - Garden Bugs: Cohabit, Control or Conserve?** - available on the Network's YouTube page or by zoom. Contact Judith if you need the zoom link details (same as previous TSGN talks)

Looking ahead to September, we have two more visits planned: **Wednesday 8th September** visit to **Pavillion House garden, Dullingham** and **Tuesday 28th September** visit to **The Old Rectory Garden, Brinkley** (provisional date). Look out for more information nearer the time.

And enjoy the rest of the summer, outdoors if possible!

DISTRICT COUNCILLOR'S REPORT

John Trapp : East Cambs Bottisham Ward

The Planning Committee on 7th July approved a 350 dwelling development on Newmarket Road, Burwell. The main issue of concern for local residents in Bottisham ward is the impact on the junction between Isaacson Road and Newmarket Road, which is the route for many of us to Exning and Newmarket.

The Operational Services Committee on 14th June approved the Council's second Environment and Climate Change Strategy and Action Plan, including appointing a new part-time, temporary Climate Change and Natural Environment Senior Officer.

They welcomed the publication of the Interim Recommendations of the Cambridgeshire and Peterborough Climate Change Commission and agreed to work with partners to help take forward those recommendations wherever practical and viable to do so.

They agreed that the Council should become an official supporter of the Cambridgeshire and Peterborough against Scams Partnership.

With scams becoming an increasing problem for people, this partnership helps our residents protect themselves from scams. If you get an email, phone call or text and you are unsure of the sender do not:

- visit the website
- open any attachments
- disclose any personal or payment information

There are quite a few scams at the moment claiming to be from HMRC, often offering Covid payments/refunds. HMRC have advised that they will never send notifications by email about tax rebates or refunds.

The Full Council met on 15th July and approved the Boundary Commission Proposals for the Parliamentary seat of East Cambridgeshire that will include the whole of East Cambridgeshire and two wards from South Cambridgeshire. The re-allocation is as a result of two more seats having been allocated to Cambridgeshire.

ECDC had another email outage, and it may be that emails to us have been lost; please re-send your email if you had no response from us.

Our next Councillors' Surgery and Meet Your Councillors will be on Tuesday 21st September at 6.30 p.m. This will be held by Zoom - Meeting ID: 865 7631 8040, Passcode: 490667. If you prefer to join by telephone, the number is 01314 601196.

**LUCY FRAZER MP - COVID CHAMPION AWARDS**

People across our local area have gone above and beyond to help others during the pandemic, and to recognise their fantastic efforts I have launched a COVID Community Champions award. From collecting medication and groceries, to looking out for elderly neighbours, or volunteering or supporting the NHS - there are many stories of support that have taken place across our local communities during the pandemic.

I am keen to highlight the significant efforts of those who have made a contribution during this tough time for our area and country.

If you would like to nominate a local individual to thank them for the work they have done across Cambridgeshire then please email me on [lucy.frazer.mp@parliament.uk](mailto:lucy.frazer.mp@parliament.uk)

with:

- Your name
- Your address
- Your email
- Name and contact email of the individual you are nominating for the COVID Community Champion Award
- One/two sentences on why you are nominating them

I will be announcing the winners in the autumn, and holding a special event in Parliament to recognise their hard work. I look forward to sharing their stories with you.

RIDE & STRIDE FOR CHURCHES

SATURDAY 11TH SEPTEMBER 2021

Visit unique historic buildings, see beautiful countryside, get some exercise and have fun with the family!

Ride+Stride for churches is a sponsored bike ride or walk between churches, exploring and enjoying the countryside from Cornwall to Northumberland. It takes place every year on the second Saturday in September. The money raised helps to repair churches, chapels and meeting houses throughout England.

Supported by The National Churches Trust and run by county churches Trusts nationwide, Ride+Stride for Churches opens the doors to some of England's amazing church buildings. In 2020, Ride+Stride raised over £1.2 million for the restoration and preservation of the UK's historic churches, chapels and meeting houses.

**ETHELDREDA MEDAL AWARD**

Every other year, I award The Etheldreda Medal to people across the Diocese whose service to the community (which might be as 'local' as their extended family but could be as extensive as a national or international concern) is both 'generous' and 'outstanding'.

I am looking for exceptional people whose good works haven't yet been recognised; those who might (in partnership with others) come close to being nominated for a Queen's Award for Voluntary Service. For many people this will be about the duration and persistence of their good works, for others it may relate to a short but extraordinary act of kindness or course of conduct.

*The Right Reverend Stephen Conway, Bishop of Ely*

The Etheldreda Medal has been commissioned by the Bishop of Ely and has been designed by Jonathan Clarke to incorporate the image of his magnificent 'Way of Life' sculpture which captivates and inspires so many visitors to the Cathedral. Each medal is inscribed with the name of the recipient and the date of the award.

**BRINKLEY CHURCH NEWS**

In June our Churchwarden, John Robertson, decided to retire from the post he had held for nearly 40 years. In that time, he has worked tirelessly to maintain St Mary's Church and the churchyard, as well as being a presence at so many services. In recognition of his many years as churchwarden, the PCC nominated him for the award of The Etheldreda Medal.

*John became an expert in combating woodworm, painting walls, and could turn his hand to repairing whatever needed mending. Leading by example helped him cajole many experts and volunteers over the years to offer their services freely, or, at a considerably reduced cost. John has spent many hours as general groundsman.*

*Tirelessly fundraising for St Mary's, he has used his expertise in antiques to run stalls at village events, and organise successful bi-annual auctions.*

*John has been a stalwart of Brinkley, in the community and most especially to the church. Nothing has ever been too much trouble for him, from cutting and tending the church grounds; to organising Brinkley auction; to cleaning and preparing the church for services; looking after the church fabric.*

*Asked if he minded that the congregation was small and the jobs so constant, John has said "Although it had just always been a small amount of regulars, it is wonderful that the church is still a working building and here, as and when people need it, even if just for weddings and funerals."*

*John has been a tireless worker behind the scenes for everything relating to the church as a building, and the church as a community. A regular reply was always "Ask John!" and will continue to be so, even into his retirement.*

*Above all, he is a very humble man, and thoroughly deserving of this award.*

~~~~~

At the service in Brinkley Church on Sunday 18th July, Bishop Graeme presented John with the Etheldreda Medal. Many Brinkley villagers had contributed towards a gift for John in appreciation of his hard work over the years and he was presented with a Cheque.

MESSAGE FROM JOHN ROBERTSON

I would like to say what a very unexpected honour it was to receive the St. Etheldreda medal from Bishop Graeme Knowles and even more unexpected to have been the recipient of a most generous collection from Brinkley villagers. I have already indulged in some badly needed gardening equipment and will think of the village's generosity whenever it is used!

Very many thanks indeed.

John

**2523 LINTON AIR CADETS.**

2523 demonstrated their sporting talent by coming in first place in the recent sector sports and archery event. With it being the first time some of our cadets had picked up a bow this was quite an achievement. After performing well across all activities, the Linton cadets were then able to relax and socialise around the BBQ afterwards.

Activities are starting to fill the calendar, and four Linton cadets will be attending the wing "Methods of Instruction" course, one of the final steps to being awarded the coveted instructor cadet lanyard. This is the culmination of many years study and several practical teaching and presentation courses.

As we continue to get the squadron back to normality, Flight Lieutenant Tension was able to present all the awards and badges achieved over lockdown. This included;

- 3 Bronze Duke of Edinburgh awards
- 6 St Johns Youth First Aid awards
- 1 Bronze radio operator award
- 1 Bronze leadership award
- 1 Bronze cyber award
- 1 Blue music award
- 2 Leading cadet classifications
- 4 Senior cadet classification
- 3 Master cadet classification

Congratulations to all the cadets achievements, I am sorry not to have space to name every cadet!

With so many more cadets completing final assessments, planning expeditions and with the training program opening up further we look forward to being able to announce many more achievements soon.

There is still space on the squadron for interested new cadets and staff, so please get in touch to join today.
