

VILLAGE VOICE

BRINKLEY.....BURROUGH GREEN.....CARLTON.....WESTLEY WATERLESS

JUNE 2020

Restrictions during the Coronavirus outbreak are beginning to lift but will not mean return to the villages' social events. Hopefully towards the end of the summer I will be able to advertise more activities. In the meantime stay well and safe.

BURROUGH GREEN PLAYGROUP

ENROLLING NOW FOR SEPT 2020

15 & 30 Hours Funding Available For 2 - 5 Year
Olds

LINTON VILLAGE COLLEGE

Old Laptops Wanted

We are attempting to source enough devices for all those students who are struggling to complete work due to a shortage of technology in their household. The fantastic Cambs Youth Panel initiative is struggling to meet the demand within the County and we are appealing for donations to enable us to provide more.

If you have an old working device that you no longer need, we will happily take it off your hands and rebuild it to allow students to make use of it. So long as it switches on and has a genuine Windows sticker on it, we can make use of it.

Please contact me, if you have a device you are willing to donate to the College for this purpose.

MARSH MAIL - News from Linton Village College

While the College's building has remained largely empty, its staff and students have been busy engaging in remote learning. Teachers have adapted to setting work online and our students have responded well to this challenge. Our Linton Learner attributes of independence and responsibility are coming to the fore at the moment.

As I write this, we are in the throes of making plans to consider how we might be able to safely accommodate small groups of our Year 10 students in school. This is in response to the government's announcement regarding the intention for schools to begin to re-open in a phased way to specified year groups from 1st June. We are also making transition plans to consider how best to support Year 6s with their move up to LVC.

This means that the vast majority of our students will continue to be educated virtually until at least the start of the new academic year. While this is disappointing for us all, we recognise that ensuring the health and safety of our students, staff and families is of paramount importance. It will clearly be quite some time before we return to experience the bustle of a thriving and busy school environment.

We also miss being able to open our doors to the College community. The Sports Centre remains closed for the time being and adult education classes and lettings are also on hold. We hope to be able to re-start aspects of our community provision when it is safe to do so. You may have noticed some exercise challenges being posted on the Sports Centre social media accounts.

You may also be interested in following the Linton Learner twitter feed (@LearningatLVC) to see some of the amazing learning outcomes being achieved by our students at home. While we aren't able to teach and interact with the vast majority of our students in person, we continue to be very proud of them. Their resilience, motivation and engagement with their learning at this challenging time is to be celebrated.

Helena

CAMBRIDGESHIRE HISTORIC CHURCHES - RIDE & STRIDE 2020

Owing to the situation with Covid-19 and the uncertainty of the future, preparations for Ride and Stride are being postponed, but the current plan is that Ride and Stride will still go ahead in some form or another on **Saturday 12th September**. We will keep you informed as and when we have more information.

NEWS FROM THE ELLESMERE CENTRE

Hi All, I hope you are keeping well during these difficult times. Unfortunately, the Centre remains closed until further notice but staff can now be contacted on the office phone.

TENNIS - As the new government regulations state that we can now play tennis outside with family members we would like to announce that our courts are open again. Players will need to bring their own balls and rackets and use the hand sanitiser provided. Only one court will be available at a time and you must play with other members of your isolation group or one other person. Full regulations will be available when booking. The courts must be booked in advance by telephone and paid by BACS when booking. The cost of a court is £8 or £6 concession. If you require a weekend booking it would be helpful if this could be made before noon on the Friday if possible as we are currently operating with half our normal staff.

The Ellesmere Centre, Stetchworth, CB8 9TS.

The Bowling Cup to Bert Westley. 2nd XI Batting Cup went to Colin Nickerson, who also won the Cup for highest average in the Bowling. The Neil Taylor Catches Cup went to Terry Webb and Eric Buckle. The Player of the Year Dance is on 19th January. Tickets £2.

WANTED DAILY HELP -

Once or twice a week.
Please telephone - reverse the charges .
Stetchworth 275 . Matthews

KATHLEEN'S CORNER - It was an ordinary day five year's ago. I was looking at greeting cards, hunting for a birthday wish for my husband. Suddenly I laughed out loud at one card, 'Sweetheart' it read, "You're the answer to my payers.' Inside, You're not what I prayed for exactly, but apparently you're the answer.'

THE THINGS I REMEMBER.....

A sprightly lady who was born in Burrough Green just after the turn of the century recalls some of the happenings in the village for our readers. 'I was born in 1901 at Pembroke Farm and can trace my family back as far as 1752. One of my earliest memories is that of going to school at three year's old. I can remember walking over the green to school. There were no cars, nothing on the roads and I can re-live now how we all had cocoa at 11am! Mr Burgess was the headmaster and the foundation of education was the three Rs, and we had to learn them properly. My father, John Starling, left school at nine and could read and write perfectly. He used to read Dickens to us, and we had to learn to read at home as well as at school. The Rector was Reverend E J Church, and the mainstay of the village when I was a child. The Church and the School ruled the village without question. The children had to go to church three times on a Sunday, with Sunday School in in the morning and afternoon, and in the summer we went to the Rectory in the

afternoons and listened to stories read by Mrs Church. She was one of the most outstanding persons I can remember, she had a beautiful voice, I can hear her now. After the stories which were always suitable for children, she would take us round the rectory garden and give us fruit and flowers to take home. She was the mother of a large family. I can remember John, Violet, Mary, Daisy, Howard, Willy and Christine, but I know there were more.

The Laceys of The Hall owned most of Burrough Green and they had a large family too, and when the Rector's family and the Lacey family were in church together, the church was practically full.

The chief farms in the village were Wyck Farm, White Hart Farm, Pembroke Farm and Green Farm, where I moved to from Pembroke Farm. This was a 'horsey' farm and run by my father for the Laceys. One bought milk at Wyck Farm, not often the full cream sort because that was kept for butter making.

At Green Farm the horses had to be fed at 5am to be ready for the men who came to work at 7am and then they were fed late in the evening after a day in the fields. Most of the men of the village worked on the farms and those not working on the village farms had to walk before dawn to places like Kirtling, and some went to Ravenshall, known as 'Ransell' to us. The men had to work very hard and were poorly paid, everything was done by hand but there was no option because you could not get out of the village.

One of my father's younger brothers was the first postman and he would take the post to outlying houses by pony. It was he who had one of the first appendix operations at Addenbrookes hospital too.

My father met my mother when he walked to Cambridge with a goose for Dr Porter of Peterhouse Lodge. She was housekeeper there and after that he often walked to Cambridge to do his courting. On their marriage in June 1899, Dr Porter presented the couple with a Bible which I still have

My grandmother who lived in what is now Lane House, baked bread for the village and she also kept ponies, pigs and ducks and she used to drive a pony and trap and take people to and from the station.....'

V E DAY CELEBRATIONS

V E DAY FOOD 1945 style

Beef Dripping sandwiches
Lord Woolton Pie (vegetables plus stock cube or marmite for flavour)
Pork Faggots with onion gravy & mash
Homity Pie (open pie of potatoes & leeksa covered in cheese)
Corned Beef Hash
Liver Casserole
Eggless Fruitcake.

E CAMBS DISTRICT COUNCILLORS' REPORTS

JOHN TRAPP & CHARLOTTE CANE
BOTTISHAM WARD

Due to the restrictions to control Coronavirus, the District Council cancelled all its meetings up to the end of May. Following the change in the law, allowing on-line meetings, we pressed the Council to resume its meetings. After several Parish Councils had held successful meetings using Zoom and Skype, the District Council finally held two Planning Committee meetings. The Annual Council Meeting will have been held by Zoom and will be available on YouTube at www.eastcambs.gov.uk/meetings/council-21052020.

The Council staff are mostly working from home.. People should still phone the switchboard number - 01353 665555, or the Direct Dial number if they have it, and they will be put through to the member of staff. Waste bin collections have continued as normal and fly tipping will be collected if reported, although staff will not check through to see if there is anything to identify who left the rubbish.

Only 74% of the businesses thought to be eligible for grants to support them through this pandemic have applied. If you know of anyone who might be eligible, please encourage them to apply via the District Council. **They should email their name, business name, business address and phone number to covid19businessgrants@eastcambs.gov.uk or telephone the Council on 01353 665555.**

Unfortunately, our call-in requesting a 6 month delay to the decision to cease funding the CAB in Ely was rejected. As a result of losing the funding from East Cambs the CAB in Ely has now closed. East Cambs DC have expanded their services to cover the housing advice which CARC used to deliver.

We are holding our surgeries and 'Meet your Councillors' by Zoom. The next one is Tuesday 23 June - please contact john.trapp@eastcambs.gov.uk for the link if you want to join.

Because we can't get out and about, Charlotte has set up a Facebook Page where she posts latest information.

The address is - [fb.me/charlottecanelibdem](https://www.facebook.com/charlottecanelibdem)

~~~~~

*ALAN SHARP & AMY STARKEY*  
*WOODDITTON WARD*

Who could have predicted, just a few short weeks ago, what was to come for life in Britain and across the world? It is like nothing else most of us have ever experienced. Life has changed suddenly, dramatically and drastically for us all and these are worrying times for everyone, but we are adjusting and we will get through the COVID 19 pandemic, by pulling together and looking after each other. All services at the District Council are operational with some changes. The Recycling and Waste service has been operating

normally throughout, and whilst not wishing to single people out, the recycling team has continued to provide a service to the highest level.

The District Council has moved to home working for anyone that can and is taking measures to reduce risks for those still working from offices, etc.

By the time that you read this, the first virtual Full Council will have been held on 21<sup>st</sup> May. I will bring you details of this next month.

### **Community Support**

The support to communities is a co-ordinated effort between the County Council, the District Council and Parish and community support groups.

The countywide COVID 19 Coordination Hub is established to:

- Help ensure that services provided by key workers are sustained at safe and appropriate levels through the redeployment of staff and the deployment of volunteers
- Co-ordinate the distribution of support to the Shielded group
- Ensure with our partners that we are making the best use possible of all available resources to minimise anxiety, to co-ordinate social action, and to ensure those most vulnerable are benefitting from appropriate community support
- Work closely with District/City Hubs to ensure all vulnerable people are supported (who in turn work with the Parish and Community volunteer groups)
- To contact all known carers in the county to offer advice, information and support and to give them a telephone number if they need help

In the early tranches of data from Government there were around 15,000 people on the registered shielded list across Cambridgeshire and Peterborough. Around one third of this group report they have no support in place. All shielded people are receiving regular telephone contact from the case officers to ensure their needs are being met. Those without any support arrangements in place receive at least one call per week, with others receiving contact either every two or every three weeks. CCC is also contacting everyone by email or letter, to remind them that they are there should their support arrangements break down. There are around 5,400 shielded people across Cambridgeshire and Peterborough who are receiving a national food delivery each week, which is also supplemented by local deliveries of specialist items. Attention is now turning to providing value added support, such as books, games, education access, library access, etc to try to combat social isolation during the long period of lockdown. You can contact the **Countywide Coordination Hub on 0345 045 5219**.

Some useful numbers are  
Citizens Advice -

E [alan.sharp@eastcambs.gov.uk](mailto:alan.sharp@eastcambs.gov.uk) Tel 07794 292941

### **SOUTH CAMBS DISTRICT COUNCILLORS REPORT**

#### *GEOFF HARVEY & HENRY BATCHELOR*

We hope that you and your families are all keeping safe at this difficult time. We know about all the good work going on in the villages to support the vulnerable and elderly. Well done everyone, keep up the good work.

#### **South Cambridgeshire District Council**

Do please continue to work with the SCDC Patch Manager, Sarah Grove, who is coordinating the effort in our area. Her contact is: [duty.communities@scambs.gov.uk](mailto:duty.communities@scambs.gov.uk) If emailing Sarah, please put 'Patch 1' into the subject line, so that it gets to her faster. Of course, we are both available to help wherever we can. Information is also available at - <https://www.scambs.gov.uk/coronavirus/>

#### **Cambridgeshire County Council**

The County Council has a 'hub' online where information regarding volunteers can be accessed - <https://www.cambridgeshire.gov.uk/residents/coronavirus/covid-19-coordination-hub-your-community-needs-you> - also a simple online search should find you the correct webpage. This is a hub for links to volunteer support as well as help/advice for businesses.

The County Council is also coordinating the assistance for those individuals who class as 'shielded' so required more support as they have health conditions which restrict their outside movements more seriously. If you think you know somebody who falls into this category, do let Henry know and he can make sure the County are aware of them.

#### **Remote Working and Voting**

Both the County and District Councils have begun to hold committee meetings again, so large decisions at both authorities will be made again.

#### **Planning**

The planning department at South Cambs continues to function with most applications being processed by officers in the usual way. More than 90% of planning applications are decided under delegation. Parish Councils should continue to provide their comments in the usual way.

It has not been possible to hold Planning Committee meetings or to process applications that parish councils or local members have requested to go to committee.

There is a significant backlog of these application. We are soon to re-start the Planning Committee; the first remote meeting will be on Wednesday 13 May. The sole purpose of this meeting will be to agree the procedural protocols that will allow us to hold meetings remotely. The first proper meeting will be one or two weeks later when we will start processing planning applications again.

Parish council and member requests for applications to go to committee cannot be processed until a change to the constitution take place to make the delegation process 'legal'. This should happen at the next Council meeting on 21 May. The plan is then to start working through the backlog from Friday 22 May.

Remote working committees is a new process for us all, no doubt there will be difficulties. So please bear with us as we do our best to get things right.

#### **Community Capital Fund**

There is a new funding opportunity available at the County Council called the Community Capital Fund. There is significant funding available for community groups and parish councils to bid for as the total pot has £5,000,000 .

The fund is mainly designed to assist with community engagement and involvement projects, please do take a look at the full set of criteria here - <https://www.cambridgeshire.gov.uk/council/communities-localism/communities-capital-fund> - do contact Henry directly for any additional support on this.

#### **Green Bins**

The green bin collections are due to start again as of Monday 4<sup>th</sup> May. To start with, it will be a reduced service however. People will be guaranteed one collection per month with the possibility of a second if there is capacity in the service. The message is put out your green bin on the usual green bin day. They will definitely be collected once and if they are collected twice in the month, this is a bonus.

The reason for the original suspension of the collections service was the reduced number of bin men and women due to the virus. Also, SCDC operate with fewer people in the cab, where it's usually 3 in the truck, we now operate with 2 to maintain social distancing.

#### **Household Recycling Centres**

The County Council, who run the household recycling centres in Cambridgeshire, have a plan in place to reopen the centres on Monday 11<sup>th</sup> May. There will, of course, be restrictions in place to keep social distancing. Full detail can be found here - <https://www.cambridgeshire.gov.uk/news/re-opening-of-household-recycling-centres>

**Business Relief Grants**

A plea to everyone that either runs a business or knows someone that does. Ask if they have applied for financial business relief from the District Council. If they qualify, there is a potential to apply for up to £25,000. More info can be found on the SCDC website, by emailing [businessgrants@scambs.gov.uk](mailto:businessgrants@scambs.gov.uk) or by contacting Geoff.

Office Hours: Mon-Fri 9-10am, 1-4pm.
Monday & Thursday evenings 6-7pm

PARISH COUNCIL MEETINGS CANCELLED UNTIL FURTHER NOTICE:

Following on from the Government's announcement on Monday 16th March, together with the guidance from Public Health England and West Suffolk Council and NALC, in relation to COVID-19, the Council has made the decision to postpone all meetings until further notice. The Annual Parish Meeting and the Annual Parish Council meeting in May will no longer proceed, following new legislation under the Corona Virus Act 2020. Information on how to access the Council's remote online meetings will follow soon.

End Year Accounts 2019/20

Following NALC's engagement with government around local council audit timeframes final regulations came into force on 30th April. These extend the statutory audit deadlines for 2019/20, to 30th November 2020. The Council's 2019/20 accounts summary is now available to view on the Council's website; www.burroughgreen.com

The period for the exercise of public rights starts on 1st September 2020 and runs until 15th October 2020.

Eco Initiatives on The Green

The Parish Council have been working with Greener Growth, (a not-for profit charity) to introduce some Eco initiatives such as: wild flower planting in flower-beds & seating around the pond, bird & bat boxes, an Owl box, Hedgehog House and an Insect Hotel. There are also plans for a Nature Walk with Information Boards and some improvements to the pond, such as a pond dipping platform and some works to tidy up the trees and bushes. The work is temporarily on hold until the COVID-19 situation is resolved. However, the idea of a volunteer group to help with the scheme and aftercare and maintenance was discussed. If you would like to be involved in the project, please contact the Clerk clerk.bgpc@ymail.com Tel: 07712 232920.

Brick Bus Shelter Update

Following the demolition of the unsafe brick Bus Shelter just before Christmas, the Parish Council have now chosen a design and contractor to erect the new shelter and works are to proceed 28th June 2020. The shelter is to be in-keeping with the Conservation Area and style of building in the village. The shelter will be once again brick built, with a new foundation and a slightly pitched slate roof. To view the plans & design contact the Clerk on clerk.bgpc@ymail.com or Tel: 07712 232920

**SELF ISOLATING due to Corona Virus
Burrough Green has a COMMUNITY PHONE you can ring or text if you need help with:**

- Picking basic groceries up
- Collecting medicines
- Posting mail
- Or just a friendly chat!
07726 581484

Local district/city hubs have been established to support, coordinate and connect the local and voluntary activity that is happening - working closely with the Countywide Hub they will also respond to individual request for help and offers of assistance that fall outside the scope of the Shielded Group.

~~~~~

**BURROUGH GREEN READING ROOM.**

We are licensed to cater for 100 people and are available on various days of the week.

The charges are £8.00 per hour for village and £10.00 for outside.

To hire the Reading Room,  
Please contact Joanne Harrison on 01638 508888  
~~~~~

FROM THE RECTORY

It is ascension as I write this. Someone posted saying 'Ascension is when Jesus goes to work from home!' Very fitting for the season we find ourselves in. Jesus leaves his humanness behind to become fully God again. Or does he? I am not so sure. We are all part of our experiences, the good and the difficult, they help build our understanding of the world and ourselves within it. I think Jesus took 'us' and his experience of humanity back into the very heart of God and it grew God's heart.

St. Augustine of Hippo said that God, as Trinity (the three in one), exists eternally as a community of love. And we too are part of this community of love, with God and with one another.

These times have shown just how interconnected all of humanity is, and how the beauty of a community of love can play out between neighbours and between strangers. A holy dance indeed, long may it continue.

Blessings,

Nikki

Weekly Reflections can be found on the churches website: www.raddesley.com

Smile Corner 😊

Classic misprints - Diocese of Salisbury

Next weekend's Fasting & Prayer Conference in Whitby includes all meals.

Sunday morning sermon: 'Jesus Walks on the Water.'
Sunday evening sermon: 'Searching for Jesus.'

Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands.

Miss Charlene Mason sang 'I will not pass this way again,' giving obvious pleasure to the congregation.

It was a baby mosquito's first day to fly out from home.

When the mosquito came back home later that day, the father mosquito asked, "How was your journey?" The baby mosquito replied, "It went great. Everyone was clapping for me!"

A ham sandwich walks into a bar and orders a beer:
Bartender 'Sorry we don't serve food here!'

What did the spider do on the computer?
Made a website!

Please do let us have your best jokes or funny stories, thank-you.

Dear Friends,

These are difficult times so I do hesitate to write this, but as you are aware there are no weekly church collections and all our fundraising has necessarily been postponed or cancelled. It may be then that you would like to support the church with a donation to help with the ongoing costs at this time. A number of you have already done or continue to do this by direct debit or through parish giving and we are very grateful for this.

If you would like to make a donation, as a one off gift, or as part of regular giving, you can do so by direct debit, bank transfer or by cheque (please note there may be a delay in paying in). The details for each church are given below. If your donation is able to be gift aided please advise the treasurer as this adds 25% to the donation. All donations will be treated with discretion.

Please don't worry if your circumstances are such that this is not possible at this time, we all support the churches in so many different ways.
