BEECHCROFT

There have been several reports of dog fouling on the green at Beechcroft. This is a children's recreation area as well as for dogs. But it is not acceptable for owner's not to clear up after their dogs. Thank you to all those that do so. Please report those you see not clearing up.

FOOD BANK - Brinkley Church Porch

Current Needs for the Food Bank are:-

Small jars of instant coffee, small packs of "normal tea" and sugar; small packs of washing powder, custard, tinned rice pudding, pot noodles and similar, ketchup and brown sauce. They currently have plenty of baked beans pasta and milk.

Toilet articles are also in demand.

PLEASE CAN ALL DONATIONS BE PUT IN A CARRIER BAG AND TOILETRIES IN A SEPARATE BAG. ALL BAGS ARE THEN WIPED AND PUT FOR COLLECTION AND THEN DELIVERY TO OPEN DOOR.

RIDE & STRIDE - SATURDAY SEPTEMBER 12th

In aid of The Historic Churches Preservation Trust and the church of your choice.

Ride+Stride is a national event arranged in each county by the local trust and is Cambridgeshire Historic Churches Trust's main annual fundraising event.

We want as many people as possible to enjoy the county's churches and see for themselves why these wonderful buildings need to be supported.

Participants are sponsored for every place of worship they visit by cycle, horse, bus, car or on foot during the day. The money raised is then split between the Trust and any place of worship they nominate. If the sponsorship is Gift-Aided, then the Trust can benefit further.

Sponsorship forms will be available in your church and you can decide how you can visit as many churches in the day between 10am and 6pm. Forms and more information can be downloaded from www.camhct.uk on the pages for Ride & Stride.

**WHAT'S ON AT THE RED LION
BRINKLEY**

In September we will almost revert to our usual opening days - so we will be closed all day Monday and Tuesday. We'll be open for lunch Thursday to Saturday, and dinner Wednesday to Saturday. Brunch on the Sunday.

As the weeks go by, reserving a table will be essential please. As the weather deteriorates, there will come a point even just coming in for a drink may become difficult if you haven't called ahead to check we have a table for you, unless the no sitting at the bar/no standing anywhere inside rules change next month. We doubt they will.

If the weather is maybe good enough for outside you'll be more than welcome to go out there, booked in or not, but we will hold for you a table inside if you book early enough. As the weeks go by now, the only way to guarantee an inside table will be to have reserved one ahead of time.

We've always offered takeaway food and haven't stopped doing takeaways just because the building is open again. Please just continue to call and book the slot you would like as you have been.

A huge thankyou to everyone that made our first month of re-opening absolutely amazing. In so many ways. Thank you.

ELLESMERE GARDEN CLUB NEWS

At last we have some news to share with you! Although we are currently still unable to run meetings in the Ellesmere Centre, we have a couple of evening visits in the local area planned for September.

Firstly, a visit to **Brookside, Moulton** has been confirmed for **Wednesday 16th September**.

For more details see the NGS website:

<https://ngs.org.uk/view-garden/34193/>

Meet at the garden at 6.30pm. Park on Brookside and walk up the hill to the house. There is a small amount of parking at the property so please use that if you feel you can't walk up. The cost is £5 per person and refreshments will not be served. The visit will take 45 minutes with social distancing being observed.

If you would like to come along please contact Judith, the Club secretary, by Sunday 13th September with a contact telephone number for track and trace.

In addition, we have arranged a visit to **The Old Rectory at Brinkley on Wednesday 23rd September**.

Meet at the garden at 6.30pm. Cost is £5 per person with all proceeds going to Fergus, the Head Gardener at Gt Dixter, who is responsible for getting young people from very mixed backgrounds, and starts in life, involved in horticulture. The connection is that the Brinkley garden owner (Julie) is a volunteer there. Hopefully the dahlias will be looking their best and if we take plastic bags Julie can supply us with some salvia cuttings. Should there be less than 15 of us Julie can supply tea or coffee! Further details on the garden and its location can also be found on the NGS website at:

<https://ngs.org.uk/view-garden/29911/> Please book by Sunday 20th September.

For both or either of these, booking is essential, and Judith's contact email is:

judith.mahoney@btinternet.com

Enjoy these gardens and look out for more news as time goes by!

MACMILLAN COFFEE MORNING

Helen and Bena have decided that due to the Covid virus they will not be holding their popular coffee morning this year. Hopefully we can all get together next year for our coffee and cakes.

Bena & Helen

THE BULL BURROUGH GREEN

We are pleased to be open and serving drinks and food.

Food is available Tuesday - Saturday 12-2, 5-8 and Traditional Sunday lunch 12.30-3

If requiring to be seated inside please book early to avoid any disappointment.

**Rob and Kat look forward to welcoming you

DISTRICT COUNCILLORS' REPORT -East Cambs

Charlotte Cane & John Trapp

At an Extraordinary Council Meeting at the end of July, the Council considered an outline business case for building a crematorium, woodland burial centre and pet crematorium at Mepal to replace the Mepal Outdoor Centre. It was agreed to pursue this project even though the location is fifteen minutes away from an existing crematorium, and it would mean the loss of the Mepal Outdoor Centre. This proposal was opposed by John; Charlotte cannot take part as she has to declare a pecuniary interest, relating to her employer. A Mepal resident has started a petition to keep the Mepal Outdoor Centre -

<https://www.change.org/p/ecdc-mepal-outdoor-centre-to-remain-a-leisure-centre> . John is aware that many young people in Bottisham ward have enjoyed the activities at Mepal Outdoor Centre and feels the District has a need for an outdoor adventure activity centre. The next proposal will come to the Finance and Assets Committee for detailed consideration.

The East Cambs District Council Reception remains closed, but you can now pre-book face to face appointments for Customer Services and the Housing and Community Advice Service. You can request an appointment by calling 01353 665555, or by emailing customerservices@eastcambs.gov.uk

MOBILE LIBRARY

Some people have been asking when the mobile library service will start again. Unfortunately, the County Council have decided it is difficult to run this in a Covid-19 safe way. However, they do have

a Library@home service and the eligibility for that has been extended. So people missing the mobile library service should call customer services on 0345 045 5225 and ask for the library at home service, or

email volunteers@cambridgeshire.gov.uk.

The County will seek to reintroduce mobile services as soon as they can do so safely.

## BRINKLEY HANDBELLS

A full set of Handbells were given to Brinkley in 1957 by Mr Arthur Hart, who had for many years been Church Organist. The bells were cast around 1750 by Messrs Wells in Wiltshire and the recipients were the Brinkley Boys Club. After the Boys Club closed, Brinkley PCC took over the responsibility for the handbells., Unfortunately they have not been used for many years but are still in a reasonable condition, and there are enough to enthuse a new team of ringers. Restoration of the full set is estimated to be about £2000-£2500. If we can get a group together who would like to learn to ring the handbells then in time we will raise the funds to get them fully restored.

If you would be interested in joining a group to learn to ring the handbells , then please e-mail [villagevoicnewsletter@btinternet.com](mailto:villagevoicnewsletter@btinternet.com)

## JOIN THE BMI CAN DO IT MOVEMENT

Do you want to live a healthier, happier life? An exciting healthy living movement has launched in Cambridgeshire and Peterborough, helping you eat well, sleep well and move more.

Driven by the local NHS, *BMI Can Do It* has been developed specifically for local residents like you to support your journey towards a healthier lifestyle. The movement is supported by an investment of up to £1m by the Cambridgeshire and Peterborough Clinical Commissioning Group (CCG) and includes exciting healthy living challenges as well as a suite of resources to help you take practical steps towards a healthier life.

Dr Jessica Randall-Carrick, a local GP and lead for Obesity and Diabetes at the CCG, explains:

"If you have a higher than recommended BMI (Body Mass Index) then you are at a higher risk of developing Type 2 Diabetes, cancer, or having a stroke or heart attack. We also know that you are at greater risk of serious health consequences if you contract COVID-19, which is why we want to help encourage people to join our movement to eat well, sleep well and move more.

"We know it's not always easy, but by taking those first steps towards a healthier lifestyle you will have a positive impact on your health. That's why we are asking everyone to say *BMI Can Do It* and get involved today!"

You can join the movement by visiting [www.bmicandoit.co.uk](http://www.bmicandoit.co.uk) or by following us on social media @BMICanDoIt on Instagram and Twitter, Find us on Facebook by searching for BMI Can Do It or the hashtag #BMICanDoIt.

EAST CAMBRIDGESHIRE DISTRICT COUNCIL

Woodditton Ward

Hopefully, residents have enjoyed the summer, although we appear to have had extremes of the weather in the last few weeks, with loads of sun, wind and rain!

This could be the consequences of climate change and after East Cambridgeshire District Council passed a Climate Change Emergency in October 2019, the Council's committees have been working on a detailed costed plan to implement policies that will reduce the carbon footprint in the District. The Finance & Assets Committee at their meeting on 23rd July, approved a budget of £100,000 to implement those plans.

The District Council continue to hold Council meetings, including Committee meetings virtually. This will continue for the foreseeable future, whilst the current restrictions are in place. Residents can listen and see these meetings live, as required by the legislation. The log-in details for each meeting are on the East Cambridgeshire website. If you are having any difficulties in finding the log-in details, please contact us.

Bus, Walk, Cycle Consultation - Survey

The results of the consultation continue to be processed and will be discussed by the relevant committee shortly.

Sky Lanterns & Balloons

After the motion presented to Full Council on 16th July 2020, asking that the release of sky lanterns and balloons be banned on all property and land owned by East Cambs District Council, discussion is ongoing with officers, to agree the detail of letters to be sent to all Parish Councils within East Cambridgeshire. to pass a similar motion to ban the release of sky lanterns and balloons from Parish Council land.

In addition, a plan on how to communicate this to businesses, landowners, communities, schools and individuals in East Cambridgeshire is ongoing.

Mepal Outdoor Centre - planned redevelopment

Some residents may have seen reports in the press about a proposed development of a crematorium with

associated woodland burial and pet cemetery facilities at the former Mepal Outdoor Centre.

Mepal Outdoor Centre was previously managed by Cambridgeshire ACRE on behalf of the Mepal Outdoor Centre Charitable Trust. The Trust had experienced financial difficulties with operating the site and following the break in and arson attack in December 2016 they surrendered the lease back to the Council. ECDC has explored a range of options and invited expressions of interest for the site, twice, through a tender process. This exercise was overseen by a cross-party Working Party of both Conservative and Liberal Democrat Councillors. Despite extensive work, a suitable proposal has not been forthcoming.

Aside from the unsuccessful attempts to find a suitable leisure operator for Mepal, the District Council has had an ambition to deliver and run a crematorium and woodland burial area within the district and this was included in the Council's 2017 to 2019 Corporate Plan.

When investigations into the crematorium industry began, Members received external expert advice that crematorium companies are known for rapidly and successfully submitting rival proposals when they hear of a new crematorium being proposed in an area, and that this presented a very real threat of failure to bring the ambition to reality. ECDC took steps to reduce the risk of this happening by removing the item from the Corporate Plan and developing its plans confidentially to get them to a relatively advanced stage prior to the information becoming public.

The Mepal site was identified as having potential to site the new crematorium and woodland burial area and exploratory investigations and site surveys were undertaken. At a Special Full Council meeting on 31st July 2020, Council approved an Outline Business Case to build and operate an ecological crematorium, woodland burial area and pet cemetery on the Mepal site.

The proposals are at an early stage in the process. ECDC has approved an Outline Business Case and there are several stages still to be undertaken before a Final Business Case can be presented to Council for a final decision. We will keep you updated.

Whilst the height of the Covid-19 pandemic has reduced, everyone needs to stay vigilant, follow the relevant guidance and prevent the spread of the virus. If anyone has any concerns or requires information, please contact the ECDC main number on 01353 665555.

Stay Safe

**MARSH MAIL News from Linton Village College**

It has been an exceptional year for us all, but in particular our Year 11 students who have foregone their traditional school leavers' experiences and rites of passage. While examinations are typically stressful, they are an important demarcation of the end of secondary education and capture students' academic accomplishments.

This year, the awarding of GCSEs was replaced by a Centre Assessed Grade process. This involved teachers estimating the grades that students would have achieved had they sat the exams, using their best professional judgements. Subject rankings of predicted grades were then scrutinised and moderated by subject teams and senior leaders. The government decided that the Centre Assessed Grades would stand without moderation, aside from some students' grades increasing as a result of a centrally applied algorithm.

Now, more than ever, it is important to recognise and celebrate students' broad educational and personal achievements. I am proud of LVC students' stoicism and resilience as their time at LVC ended prematurely. There are many examples of students who have shown exceptional determination, compassion and drive during these challenging times. All have been a delight to watch grow into exceptional young people during their time at the College. We wish them every success in the next step of their education, careers and lives. As we enter September our focus is on fully reopening the College safely to all students and staff. Extensive planning and preparation has been underway during the summer holiday to ensure that the site and systems are ready for all of our students to return to school full time.

Many changes have had to be implemented to make this possible and to adhere to government guidance. This includes zoning the school site for different year groups, creating nomadic specialist teaching and staggering break and lunch times to reduce movement and minimise close contact between students in different year groups. This is in addition to enhanced cleaning and hygiene measures.

We are all looking forward to seeing our young people back at school and benefiting from face to face teaching again. The school community's ability to adapt and care for each other has been evident during this crisis.

**Honk! Honk!**

I read this week about the annual migration of geese, isn't their teamwork astonishing! As they fly in their "V" formation, the flapping of each bird's wings creates an uplift for the bird immediately following. By flying like this the whole flock has apparently at least a 70 percent greater flying range than if each bird flew on its own. This is most noticeable when a goose falls out of formation, it immediately feels the drag and resistance of trying to go it alone so quickly gets back into place to take advantage of the lifting power granted to it by the bird in front. When the head goose gets tired, it rotates back into the wing and another goose flies forward to take up the lead. The noisy honking you hear is of the geese behind encouraging those up front to keep going and maintain the speed!

What really touched me though was reading that when a goose gets sick or injured and falls out of the formation, two other geese fall out with it and follow it down to the ground, to lend help and protection. They stay with the fallen goose until it is able to fly again or until it dies; and only then do they launch out on their own or with another formation to catch up with their own group.

What a beautiful thing this is, a real encouragement from nature to live well in community together; lending

our strength, sharing the load, taking our rest and championing the more vulnerable.

In the words of Aleksandr the Meerkat 'Simples!'

'So let's do it. Let's see how inventive we can be in encouraging love, helping out, and in spurring each other on.'. *Hebrews 10: 24 The Message.*

God be with you,

Nikki

**Rector in The Rectory!**

I was delighted to be inducted and instituted as Rector of the Raddesley Group of Churches in St Peter's Stetchworth by Bishop Dagmar, supported by the Rural Dean, Church Patrons and our Churchwardens, in a small socially distanced service to mark the change in my role- in name only! It signified a celebration of the ministry and community of us all, for which I give my thanks.

Please feel free to contact me to discuss spiritual matters; baptisms, funerals, weddings, and the sacrament of reconciliation (confession).

That's why God has placed me with you 😊

Blessings, Revd Nikki
