BRINKLEY CHRISTMAS CARD 2021

The winning photo for this year's Christmas card competition was taken by Lindsey Todd. Well done Lindsey.

One aim of the Christmas card is as a fundraiser, partly for the church, and partly for the chosen charity. This year, that charity is Young Minds, which focuses on

supporting young people with mental health issues. It was our late vicar's charity. You can choose to donate to one charity, or to both.

I started the idea of a village Christmas card 3 years ago. Residents give their local friends and neighbours cards, which all cost money. Even charity cards do not donate all the card value to that charity. With our village card, all the monies raised go to the charity named. Once you have 'signed up,' your name is printed inside the card. The card is delivered to everyone in our village.

The printing of the card is generally at the beginning of December, so please get in touch so that you can be included.

ECDC COMMUNITY BUS

The bus will be at the Westley Waterless village hall at 1.30 - 3.00 on Thursday 11th November and Thursday 9th December

The Community Bus will be parking in Westley Waterless Village Hall once a month. This is a government initiative offering advice to rural communities covering topics such as

- Debt and Money Advice
- Employment
- Welfare benefits
- Housing
- Pensions

The Community Bus is a Community Hub and is a one stop shop providing information, advice, and support to improve the wellbeing of our community.

The hubs provide FREE support and advice for individuals and their families covering drink or drug challenges, housing or homelessness issues, benefit questions, mental health advice, domestic abuse, money worries, they are also there if you just need someone to talk to.

You do not even need to make an appointment, just drop in and someone will see you as soon as they are available.

Different Hubs will have different services depending on availability but there will always be someone there who can point you in the right direction.

If you have any paperwork relating to your questions, try to bring it with you.

Coffee Morning is Wednesday 10th at 10:30.

Quiz is Thursday 18th and starts at 7:30. Please let us know you are bringing a team. If you also plan to eat before or during the quiz, please let us know that too so we can provide a larger table.

Thanksgiving

Our annual 3-course Thanksgiving Meal: Friday 26th at 7:15 for 7:30 and we have three tables of four in the bar available for the Friday. And then we will do it again on Saturday 27th November at 6:45 for 7:00 in the restaurant. Advance booking essential.

In December we will be closed on the 26th and we are also closed on New Year's Day. We are taking bookings now for our Taco night on Christmas Eve. We are also prepared to do a meal on Christmas Day if there is enough interest.

There are several people we used to see regularly we understandably haven't seen yet. If you read this, it would be great if you might drop us an email or give us a quick call to let us know you and yours are doing OK. Gwyn & Morris.

ELLESMERE GARDEN CLUB

Our next talk is on 10th November by Dr Tim Wreghitt - "Making a stand for Chelsea" at 7.30pm. The hall in the Ellesmere Centre will be properly ventilated and seating socially distanced. Everyone welcome, members and visitors alike.

The Christmas party will now take place on **Wednesday 15th December**, not the previous week as originally advertised. The venue is the **Heath Court Hotel, 7 for 7.30 pm**. Members will already have had a message about booking, so this is just a reminder about the date. Any queries about this to Judith on 01638 508336.

And there are still some **Tender Shoots Garden Network** events between now and the end of the year:

Thursday Nov 11th - Doug Stewart - Winter Thrillers 7.30 pm

Wednesday Dec 8th - Christmas quiz - Gardening themed fun with an individual round & a group/interclub round. 7.30 pm

CAMBRIDGESHIRE COUNTY COUNCIL UPDATE

Alan Sharp Cambridgeshire County Councillor - Woodditton Division

Meetings of the County Council have been reduced by the ruling coalition, which gives less opportunity to scrutinize the decisions that are being made on your behalf.

Since my last report, there has been no meeting of Highways & Transport Committee and I attended a meeting of the Children & Young People Committee on 19th October, which are the policy committees that I am a member of.

EDUCATION

The Children & Young People Committee had an initial look at the budget situation for Education in the next financial year and the budget gap for 2022/23 of nearly £20m that the ruling coalition need to reduce.

TRANSPORT

In terms of the Eastern Access proposals by the Greater Cambridge Partnership (GCP), I received a briefing from GCP officers about the proposals to move the Newmarket Road Park & Ride nearer to the A14 Stow-cum-Quy roundabout, as well as increased bus lanes along Newmarket Road and a proposal to reduce vehicle access into the centre of Cambridge.

The consultation runs from 3rd November until midday on 22nd December.

The proposals affect residents in this area, but local Councillors in this area have no representation on the GCP and I have been speaking to GCP officers to voice the concerns that I have.

I would ask that once the consultation opens that you look at the proposals and respond to the consultation. In addition, it would be very helpful for me if you could send me your comments, so that I can try to represent your views in further discussions.

Whilst talking about transport, there is a public consultation by Network Rail which started on 18th October on the Ely Area Capacity Enhancement. It may not directly affect your village, but there needs to be major work done at Ely to alleviate a rail bottleneck, where three lines from the North merge into one, as do two lines from the South. This work is needed so that the number of trains going through Ely can be increased, both passenger and freight, which will increase the container traffic that can be moved by rail, thus reducing the number of trucks on the A14. Please read and contribute to this consultation, as it is important for the rail traffic east of Cambridge if we are to achieve our aim of better and more frequent services running through Newmarket and Dullingham.

I would welcome any comments that you may have on the rail proposals.

The County Council have set up a Highways Improvement Board and it had its first meeting on 24th September. I am the East Cambs rep on that Committee and at our first meeting, we discussed the issues of gully cleaning and pothole repairs and

improving the performance in those areas. We are due to meet every 6 weeks and I will update on the progress to improve outcomes in future reports.

If you are aware of an issue that concerns you, please let me know. If I am not aware of it, I cannot fix it.

I look forward to updating residents further next month.

## **East Cambridgeshire District Council Update**

*District Councillors : Alan Sharp & Amy Starkey - Woodditton Ward*

By the time that you read this, the District Council will have held a Full Council meeting. On that agenda is an item around parking enforcement within the district and we will update next month.

The Operational Services and Finance & Assets Committees have recently met the Operational Services Committee starting a review of indoor and outdoor sports facilities within the district. We would welcome any comments or suggestions as to the current facilities and where they could be improved or added to.

The Finance & Assets Committee discussed the regular review of the budget for the Council over the next five years. We have previously advised that the District Council may have to raise their portion of the Council Tax for a Band D property by £5 for the first time in eight years. We will continue to keep that under review over the coming months. If we can avoid having to request an increase, we will do so.

### **Surgeries**

If you wish to discuss a Council issue in confidence, whether it relates to East Cambridgeshire District Council or Cambridgeshire County Council, please contact us. The sad events of 15<sup>th</sup> October make us all aware of our safety, but our democracy is founded on elected representatives being available to residents and will continue to be available, whilst ensuring our own safety.

John Trapp - Bottisham Ward

At September's meeting of the Operational Services Committee one of the items on the agenda was a proposal for enforcement of car parking regulations in the District. At the meeting it was announced that that item would be deferred for consideration by Full Council in October.

Operational Services Committee also approved the outdoor sports facilities and playing fields strategy

which includes the aims of "securing provision, improvement and maintenance of outdoor sport and playing pitches across the district". This was in the same month that consultation closed on the Council's plans to demolish the Outdoor Activities centre at Mepal and replace it with a crematorium and burial site even though the Council's own consultation showed that most residents don't support the proposal.

The Committee heard a presentation from Newmarket Citizens' Advice Bureau (CAB) in which it was noted that requests for advice had increased, notably for advice around benefits and tax credits, debts, employment and relationships. Audits of the services and governance of Newmarket CAB had rated it as good. East Cambs funds the Newmarket CAB for around £23k per year.

Finance & Assets Committee considered the Medium Term Financial Strategy Update. This assumes that Council tax will rise by £5 (for a Band 4, and in proportion for other Bands) each year from 2022 and that inflation will be 2% (although the Bank of England is predicting 4%) and still notes that in order to set a legal budget for 2022/23 East Cambs will need to deliver:

- Efficiencies in the cost-of-service delivery
- Reductions in service levels
- Increased income from fees and charges
- Increased commercialisation via its trading companies

One of the cost reductions which we fear the Administration may impose is the grant to Newmarket CAB, putting its services to local residents at risk, and thereby removing an independent advice service.

To give you some idea of the comparative savings required: the planned increase in Council Tax is about 3.5%, and the ECDC income from Council Tax is about £4.5 million; interestingly, the Parish precept is just over half of the income that ECDC receives in Council Tax (and the Council receives other taxes and grants, so the income from Council Tax is about a third of its total income); the savings required in three years' time is almost £4 million.

Our next Councillors' Surgery and meet your Councillors will be on Wednesday 1st December at 6.30 p.m. This will be held by Zoom - Meeting ID: 865 7631 8040, Passcode: 490667. If you prefer to join by telephone, the number is 01314 601196

2523 LINTON AIR CADETS.

What a few months we've had! The Battle of Britain Duxford airshow was a huge success. Bringing together over 60 cadets and staff on our camp, including local squadrons. The car parking was a breeze and the show managed to avoid the rain on both days giving the cadets a chance to brush up on their aircraft recognition and photography skills.

With the darker evening for the September show we like to run a film night in the evening. We fired up the generator, broke out the projector, dished out the popcorn and kicked back and relaxed after a hard day's work. Lots of new friends were made for staff and cadets alike. That's what being back face to face is all about.

CI Paul Orton on camp with cadets

At time of writing Corporals Pevley and Newall are both on an annual Adventure Training camp along with CI Orton. Some fantastic mountain walking opportunities are underway and it looks like a fantastic time. I look forward on updating you with their achievements.

Corporal Vellacott and Cadet Spall both look forward to an annual camp at RAF Leeming in the coming weeks - so activities are back in full swing.

We continue to achieve on squadron with cadets working through the classification syllabus, practice for Remembrance Sunday parade and shooting events to take us through the winter months.

2523 will return to the air with our first Grob Tutor powered flying allocation in December.

If you are minimum aged 12 and in year 8, now is the perfect time to join our squadron.

MARSH MAIL - News from Linton Village College

We held our Year 11 Awards Evening and belated Prom on the 1st October. It was so lovely to welcome back the Class of 2021 to celebrate their achievements and see them enjoying reconnecting with their classmates. We are so proud of their exceptional hard work and resilience, reflected in amazing academic outcomes awarded through the Teacher Assessed Grade process. Just as important were the certificates and prizes recognising students' Linton Learner attributes. Our current Year 11 students are also demonstrating great care and responsibility as they prepare for their Year 11 mock exam series this month. There remains a great deal of uncertainty for our young people about how the academic year will unfold. Nevertheless, they are applying themselves with great focus and fortitude.
We've also spent the last month welcoming new, prospective families to the school. We hosted 550 visitors at our Open Evening and enjoyed visiting our

cluster primary schools to meet Year 6 students. Members of the College community may be interested in the online Open Evening materials that we have on our website, including a virtual tour recently recorded by a drone. The video really captures our expansive site and great facilities.

Our school lettings have really increased over recent months, including the school hall being used for a wedding. It is great to see members of the community making use of the school out of hours for events as well as clubs and adult learning. Rooms can be booked for use for parties and other activities via our school hire website (www.schoolhire.co.uk/cambridge/linton-village-college). The College benefits from the income from lettings and is able to invest this money back into school facilities.

Another fundraising highlight of the year will also have taken place by the time of publication. The sponsored walk is a great opportunity for collective exercise and fancy dress as well as sponsorship. We are currently recruiting for new committee members and volunteers to support The Friends of LVC. Please contact our current chair, Nicola Tudge, via reception@lvc.org if you would like to get involved.

**RAF WRATTING COMMON  
REMEMBRANCE SUNDAY 14<sup>th</sup>  
NOVEMBER**

There will be a short Service at the Memorial on Sunday 14th November 2021 at 12 noon. Having been unable to invite more than a handful of attendees to the November and May memorial services throughout the Covid pandemic, we now feel we have reached the point where we can broaden the invitation. But please do bear social distancing in mind and be aware that some may feel less comfortable attending an event like this.

Please do not attend if you feel unwell in any way.  
The Memorial is situated at Weston Woods Farm, Weston Colville, CB21 5NR. We hope to be joined by some of the Veterans who served with XC Squadron, 1651 Heavy Conversion Unit and 195 Squadron. Also, Cadets from 1451 (Haverhill) Squadron of the Air Training Corps will be on parade. Wreaths will be laid in memory of all those who served here and throughout the world, especially those who gave their lives in the cause of freedom. Attendees are invited to lay wreaths or crosses for those they wish to remember, and anyone is welcome to attend.

A few days ago, when I was in a school sharing lunchtime with the pupils (following their Covid guidelines, of course) a small boy asked me if I was looking forward to Christmas, as he was, very much! It reminded me of both the preparations and anticipation of the next two months and the energy required.

For here we are, at the start of November with Advent and Christmas 2021 almost upon us.

However, I am glad that before the presents and sparkle of Christmas, there are the gifts of time for reflection and remembrance during November. We commemorate Remembrance Day and hold our Remembrance Sunday Service. We also hold our All Soul's Memorial Service. We will all remember in different and personal ways. As Pope John Paul II said, 'Let us remember the past with gratitude, live the present with enthusiasm, and look forward to the future with confidence'. Then, at the end of

November, we celebrate Advent Sunday heralding the beginning of another year in the Christian calendar and offering a wonderful opportunity to make a fresh start. The word Advent means "coming" and the weeks leading up to Christmas give us a chance to recognise again the amazing initiative that God took in coming to earth in the Christ child. To help us do this we will repeat our 'Festival of Light' as St Mary's, Dullingham, so please look out for a bigger and better display this year.

Sometimes the best part of an experience is the anticipation - whether it is looking forward to the pudding after the main course or to some other event in our lives. We live in expectation and anticipation because we sense that something wonderful is on the way.
