WHAT'S ON AT THE RED LION BRINKLEY

As the weather declines, please call as far in advance as possible if you would like to eat with us - especially on a Sunday now.

If we have not seen you for a while - for all the obvious reasons - please know you will have been thought about, and we would really appreciate a call to let us know all is well with you and yours.

It has been a long 18 months. We have seen many people we did not expect to see, and not seen some we thought we might have. We have decided to start to offer many of the things we used to 'back in the day' and see what happens; and will totally understand many are not ready to do these things again. It has been a long 18 months though, and we just feel we should make the effort for those that are ready.

We'd appreciate the business too. It has been a very long 18 months for us as well.

You may have heard that on Sunday October 3rd we will be doing our first Family Meal since March 2020. It is already fully booked.

**Wednesday 13th October at 10:30am
Coffee Morning**

We would like to hold our first Coffee Morning since March 2020 for those who would like to venture out for it, and maybe see some old friends for the first time in a while. This might also be a great opportunity for some of the newer folks in the village and surrounding area who are working from home, and could come and spend an hour and a half with others who have lived around here for much longer.

Thursday 14th through Saturday 16th October

Chinese food menu will available in addition to our usual evening menu. Please book for this and let us know if all or some of your group would like our Chinese menu. Sticky pork ribs, Vegetable egg roll, Sweet & Sour pork, Chow mein and General Tso chicken. Happy to do all of these as a takeaway if you give us a few days advance notice, otherwise we will prepare what we think we need to for the bookings we have.

Thursday 21st October - Quiz Night. ?????

We will not be open for lunch or non-Quiz dinners that day. If you would like to bring a team, or have us find you a team to join, please contact us soon. We will also contact people who have attended Quiz in the past who may neither receive the Village Voice or see our FB page to let them know about this. If there is little Quiz interest, we will try again in November, so please let us know if you plan to come and do not just turn up on the day for October.

We will only be open for the Quiz that evening. Not for a normal lunch or dinner (Thurs 21st.) Gwyn is doing

a 'How to cook steaks and fish' and cocktails for lunch class', at Carrow Road with Delia that day but will be back in time to feed anyone that is coming in for the Quiz in the evening.

November it will be American Thanksgiving. Fairly sure all of you who have come for this in the past six years we have been here know what that menu will be

Looking farther ahead and not quite knowing what anyone is thinking of for later this year yet, we are prepared to open for a Christmas Day afternoon meal this year - and we won't treble our prices. We are not planning on offering it widely to people we do not know, so please talk to us so we can gauge any interest and we will take it from there.

We already have our match tickets so we will not be open on Boxing Day (Arsenal at home) or New Year's Day (Leicester away). We are good with having a few days off at this stage for us really to go to the football and do some normal things again too.

Please either order takeaway or come and do a few normal things with us too over these next few months.

And finally - we've been asked if we might do a Ladies Night in January. We will.

How many of you guys out there might like us to have a nostalgic knock-out or even some longer league table Subbuteo night(s) in the bar early next year?

Again - talk to us.

Gwyn & Morris.

ALBERT'S CHARITY SHOOT

What an amazing day we all had at Six Mile Bottom for the charity shoot for the children's cancer wards at Addenbrookes Hospital. This was something very close to Albert's heart.

We would like to thank everyone who donated money; also the Read family, Charlie & Jo Bennett, Ade & Tom Westley, Brian Jaggard, Heather Carpenter, Dominic Latham, Jackie & Richard Clark for the fantastic auction prizes, which alone took £4000. Helen and the Carlton girls for the wonderful cake stall and everyone who donated tombola prizes. Mr John Latham for the breakfast and Rob and Shaun Manchett for the Hog Roast lunch.

At the moment we are standing at £14000 but we are keeping it open until the end of September as some people on holiday want to contribute.

Once again thank you so much for making Albert's wish come true.

Ink Cartridges *The Opportunity Group* which meets at the Ellesmere Centre would be very grateful for your old ink cartridges to help with fund raising. Please drop them in the box on the gate at White Hart Cottage, High Street Brinkley or in the box at the Ellesmere Centre. Thank you.

(The Opportunity Group provides one to one care for children with special needs and their siblings, also provides respite for their parents/guardians.)

THANK YOU

A big thank you to the young man who has kept the footpaths between Burrough Green and Brinkley clear for us to walk safely all through the pandemic.

Dog walkers, the young people who walk and run, and the Ramblers who all love this area and have been walking here for many years, have all been able to enjoy the countryside, and be in the fresh air, which the powers that be tell us is the best medicine for anyone, thanks to his efforts.

Much appreciated by all.

GIRLGUIDING LINTON DISTRICT

Have you seen our district's Social media pages on Twitter and Instagram @Linton District and liked us on Facebook?

We had a really successful Linton Mystery Trail around Linton during August, and those of you who took part, we hope you enjoyed it. There were very few sweets left, so lots of you had correct answers.

Our Guides and Rangers had an incredible weekend at Grafham. Our County organised water weekend. Sailing, windsurfing, Kayaking and Raft Building. It was wonderful hearing their excited stories of all they had been up to.

This is my last report as DC as my term now ends, it has been a wonderful time and I have really enjoyed seeing all that we get up to as a district. If you feel you could do this kind of role for us and would like a chat, please contact our County Commissioner Claire on claire-cc@cambseastguides.org.uk It would be amazing if one of our lovely readers came and joined us in the fun, in the role as District Commissioner. It is a great adventure, extremely rewarding and the leading charity for girls and young women. You don't need a unit either so no regular weekly commitments. It is very much a role that works around you. There will be plenty of help to settle you in and the team you lead are amazing and extremely knowledgeable too. You will get plenty of help too.

BALSHAM PICTURE HOUSE

Balsham Picture House is starting its new winter season of films with a screening of the very recent release of the Oscar winning Film 'THE FATHER' (12A) starring Anthony Hopkins and Olivia Colman. Anthony Hopkins is a mischievous octogenarian who is increasingly suffering from dementia and his daughter Olivia Colman is endeavouring to provide support and help when she moves to Paris with her partner. The changes in his life provide challenges in all ways for the father.

Doors open at 7.00; film at 7.30 and wine beer etc all available before from Dave's Bar for a small donation. Come along and join us for the first of the new Season's Films

Films are shown on the first Saturday of the month in the Church Institute which has a large screen and hi-res projector with full surround sound

All current memberships will be renewed in January, and we will be delighted to welcome anyone who would like to join our film club.

A bargain- where else can you see 12 or more new films for just £12 a year in a really social environment with friends and a glass of wine!

MARSH MAIL - News from Linton Village College

Coming back to school this autumn term has felt particularly special as we've been able to enjoy returning to subject-based teaching with the removal of a number of Covid-19 restrictions such as year group bubbles and zones.

It is also great to see the College buzzing with extra-curricular and enrichment activities for our students and the wider community. The restarting of adult

education classes in September is an important aspect of our commitment to life-long learning that we were keen to see back on the calendar.

While remaining cautious and maintaining health and safety measures, we are hopeful that a number of college events will be able to take place this term. We are looking forward to welcoming back our outgoing Year 11s for an awards ceremony/mini prom to celebrate their GCSE results and their time at LVC on 1st October. Observing their arrival will be limited to parents on this occasion to avoid large crowds on site. It is also great to be able to welcome Year 6 parents and students for a face-to-face Open Evening this year on 7th October. Families wishing to attend will need to book a place on a tour in advance. We'll also have a range of online materials to showcase the College.

We're delighted with the results of our recent Ofsted monitoring visit and details are now available on our website. The report shows the progress that has been made since our last inspection in February 2020 and recognises that we are taking effective action to become a good school. It is pleasing to see external validation of the improvements that have been achieved by college staff over the last 18 months, especially considering how much educational disruption we have also managed successfully, including remote learning.

Some highlights from the letter from the lead inspector include students' views shared in the report that LVC 'is really inclusive and welcoming' and recognition that changes made to improve the curriculum experience, SEND provision and behaviour for learning are having a positive impact. Our effective PSHE education and robust safeguarding practices are also noted.

This monitoring report demonstrates what has and will continue to be achieved for the benefit of our young people. We'd like to thank our students, parents and local community for their support in achieving this progress and we look forward to seeing what we can continue to achieve together.

Helena

CAMBRIDGE ACRE

We're looking for new trustees.

Could this be the perfect opportunity for you?

Cambridgeshire ACRE is looking for new trustees to join its Board. We're on the hunt for volunteers who would like to consider becoming a trustee of one of Cambridgeshire's leading charities.

Our charity trustees, who also form our Board of Directors, play an important role in overseeing our governance, strategic direction and business effectiveness. We are searching for people from any walk of life with experience that might help with this.

We would be particularly interested to hear from anyone with any of the following skills or experience:

- Financial management / accountancy
- Risk management
- Community development
- Equal opportunities and diversity
- Information & communications technology
- Human resources and training
- Board / committee / governance experience
- Legal experience
- Charitable / voluntary experience
- Fundraising
- Local authority experience
- Leadership
- Change management
- Public relations
- Strategic management
- General business skills

If you'd like to know more about this opportunity, please do get in touch directly. Cambridgeshire ACRE e-space North, 181 Wisbech Road, Littleport, Ely, Cambridgeshire CB6 1RA, 01353 860850

**DISTRICT COUNCILLOR'S REPORT**

***E CAMBS***

*Charlotte Cane & John Trapp*

The Council leadership is reviewing the funding for the Newmarket Citizens Advice Bureau (CAB). We are concerned that the funding might be cut. The Newmarket CAB provides support and advice to people across the South of the District. Importantly, this advice is seen as independent of the Council. Whilst the Council may be able to offer similar support, it will not be seen as independent, and it will not be as readily accessible as Newmarket CAB.

The two planning applications have now been published in respect of the council leadership's crematorium on the site of the Mepal Outdoor Centre. Unfortunately, the timescales for commenting are tight, and will have expired by the time you read this. As it is such a major local development and will take away a much-valued outdoor activity centre, it would have been good if a longer consultation period had been allowed.

21/01054/DEM is an application to demolish all buildings at the former Mepal Outdoor Centre. The application is made by a demolition firm in Nuneaton, and submitted on 16 July. It was envisaged that the demolition would take place in the first half of August. However, due to late publication it now has a determination deadline of 22 September.

Meanwhile, 21/01216/F3M is an application for 'construction of a crematorium and associated service and administration building, function building, memorial garden, natural burial areas, pet cemetery, car parking, new vehicular access from the A142 north of the site and landscaping'. The original planning statement prepared by the applicant's agent, Nexus Planning, stated that the applicant was East Cambs Trading Co Ltd, the council's trading arm. A Councillor colleague questioned this, and it was hastily changed to East Cambridgeshire District Council. This is worrying evidence of how blurred the boundaries are between the Council and its commercial trading arm. The consultation expiry date for the construction application is Tuesday 21 September and the determination deadline is Thursday 18 November.

Attempts by the council leadership to find ways to avoid implementing civil parking enforcement (CPE) continue to founder. Almost everywhere else in England, 'civil' enforcement of on-street parking is carried out by the council not the police—but East Cambridgeshire's current leadership is adamant it will not take this on. To avoid introducing CPE like everyone else, East Cambs has tried:

- offering to pay for a designated PCSO to enforce street parking enforcement—but this was vetoed by the Chief Constable following the recent cut in PCSO numbers.
- using the national Community Safety Accreditation Scheme (CSAS) to give police powers to accredited individuals, including council staff - but legal advice to the council said that if any council staff were involved this could create a conflict of interest.

These were already obvious issues which had been raised at the time these ideas were proposed, and it has taken a year to get nowhere. The latest recommendation to use community 'Police Service Volunteers' to issue fixed penalty notices, was pulled from the Committee on the day of the meeting and will now go to full Council on 21 October.

To help us all cut down on waste going to landfill, the Council has set up an A-Z of what can be reused or recycled, you can find the A-Z at <https://www.eastcambs.gov.uk/wasteA-Z>

Our next Councillors' Surgery will be on Monday 25<sup>th</sup> October at 6.30pm by Zoom. Meeting ID: 865 7631 8040, Passcode: 490667. If you prefer to join by 'phone, the number is 01314 601196.

Dear all

We have almost reached the deadline for the October issues of our village newsletters and I realise, to my horror, that I have not arranged for anyone to write our front page message. Of course, this was one of those things that happened automatically, as with so many other things that we had expected and appreciated, and that we have missed since Rev'd Nikki is no longer with us. In some respects our lives are returning to an extent to pre-covid times - we are able to go shopping (though mostly with masks) and we are able to sing in church, what joy! Some of our church fund raising activities which were all cancelled last year have happened or are about to happen - we had

the show at Stetchworth, open gardens and teas at Brinkley and also an auction, open gardens at Carlton, a sale at Burrough Green, a Fete at Dullingham and we are about to have our annual Quiz at Stetchworth. Most of these events have been well attended - I think that people are pleased to be able to go out and about again after spending so much time in their own houses and gardens and really not meeting up with others at all. As mentioned in our last newsletter, our thoughts also turned to harvest with a Harvest Evensong at Stetchworth at the end of September and Harvest celebrations at Dullingham and Carlton in October. In November we will be holding our annual All Souls' Memorial service at Westley Waterless and also our traditional Remembrance Day services - none of which were possible last year in the usual form. We are also planning traditional Christmas services this year and hope that no further restrictions are brought in to disrupt these - though at the same time realising that the Covid virus is still with us and any restrictions that are imposed are in an effort to help and protect us I hope and pray that we will all keep safe and well and able to enjoy a little more freedom in our lives than was possible during 2020.  
Lily Whymer

**SUE POLLEY**  
Finally please join us for a celebration memorial service for our lovely wife, mum and Granny, Sue Polley.  
  
Service will be held at St Augustine's Church, Burrough Green, Sunday 3<sup>rd</sup> October at 12pm followed by a BBQ at The Bull, Burrough Green.  
  
Everyone is welcome, also if you would like to say a few words, any stories, memories of Sue that you would like to share either at the church, or after, we would love to hear them, just let us know.  
If you would like to email anything over, you can send them to [tinanewton1978@yahoo.co.uk](mailto:tinanewton1978@yahoo.co.uk)  
We shall look forward to seeing you there and celebrating her special life.
